

RégimA Anti-Ageing Hand Serum & Omega 6& 9 Hand Cream

Post Peel complete anti ageing hand program.

Anti-Ageing Hand Serum - 30 ml

Hand treatment to help eliminate 'age spots' and rejuvenate tired, ageing hands.

Anti-ageing hand serum formula helps skin affected by "sunsspots", ageing, liver spots, improving skin colour and texture. Powerful natural ingredients help reduce swelling and inflammation whilst gradually reducing the signs of ageing.

These potent actives create a dynamic equilibrium within the skin helping to visibly plump out the tissues with a more elasticized, youthful texture and appearance.

Experience an immediately smoother looking skin. Helps visibly transform and restore dry, fragile crepey, sun damaged and ageing hands.

Omega 6 & 9 Hand Cream with Coffea Arabica 100 ml

Daily use hand cream to soften, smooth and preserve skin elasticity. Provides essential nutrients, minerals, proteins, vitamins and coffee berry.

Feel the powerful action of plants from the Amazonian rainforest, rich in Omega 6 & 9, minerals, proteins and vitamins. Coffee Berry, known for having anti-inflammatory properties and essential nutrients helps promote a healthier looking, more youthful skin tone and texture.

Absorbs quickly, providing the skin with essential moisture, revitalizing and helping reduce the visible, damaging, ageing effects of the sun. Helps achieve softening and smoothing of the skin with lasting action and without residual greasiness.

Directions for use:

Apply to hands, massaging into cuticles twice a day or as often as desired
